About Seleksiyon Tekstil San ve Tic A.S.

Seleksiyon Textiles established in 1978 and since then built up a good reputation as one of the major garment manufacturer and exporter companies of Turkey. With two main industries; PPE products and ready to wear garments, Seleksiyon Tekstil serves mainly in Europe, North Amerika, Central and South America and Middle East. Production facilities of Seleksiyon are audited and certified by international organizations with regard to Social Adaptation and Conformity, Codes of Conduct, Health and Safety and Codes of Ethics. Waste management policies implemented in the production facilities to minimize the environmental impact.
